

Your "envisioning" results are creating the WRONG impression of what is needed in Cochise Co. GROWTH, is the top item of all of the meetings I've attended yet the County planners will not accept this direction (no subdivisions, recent water availability decision) Only growth creates JOBS and Housing. That is why most of the kids raised here, including my 4, live and work elsewhere! Think about it! Please enter this letter into the public record and the envisioning website. Thank you, Don Smith, landowner.
