

During the community exercises neighbors will:

- Identify important community assets worth preserving or enhancing
- Talk about their hopes for the community as it changes
- Identify preferred types of growth
- Community discussions will be facilitated

**The Visioning Process:**

- *Information Gathering*
- *Community Profiles*
- *Group Exercises*
- *Creating a Vision*

# ENVISIONING 2020

*A SERIES OF COMMUNITY DISCUSSIONS ON  
Land Use Planning in  
Cochise County*

*"We are confronted by  
insurmountable opportunities"  
-Pogo*

## ENVISION 2020 COMMUNITY DISCUSSIONS

How to preserve a positive community character as the area grows and changes is a complex question. The Cochise County Planning Department needs to understand the perspectives of area residents on change, growth, and development in order to effectively evaluate land use proposals.

They are sponsoring a series of community discussions in order to help gain that understanding.

*Refreshments will be provided.*
