Docket RZ22-16 (Dosen Reversion R-07-18)

County initiated an application to the Board of Supervisors to revert the zoning of parcels 408-03-002 and 408-03-003A from SR-8 to R-36. The property was conditionally rezoned in 2007, requiring a subdivision plat within 18 months of approval. The condition has not been met. Staff requests that the Board of Supervisors take action to revert the zoning to R-36 (TR-36).

Details of the above docket are on file in the Cochise County Development Services Department and may be examined during office hours. Inquiries may be directed to Dan Coxworth, Director, by calling 520-432-9268 or emailing: dcoxworth@cochise.az.gov. All persons interested in said matter may appear at the public hearings.
